

## TCDY-DOC7

### TCDY PARENT COMMUNICATION AGREEMENT

In an effort to communicate league updates more efficiently, TCDY shares information via several sources including online via the league website and Facebook, and directly via email. Updates and reminders are posted **regularly**. As a player parent/guardian it is **your responsibility** to access this information (on your own) as it is time consuming and counterproductive for a board member to telephone 150+ players. If you do **NOT** have email or Facebook, we encourage you to view the website and team page news **regularly**.

#### Concession Updates

Concession updates and schedules are shared via website, Facebook, and email. Questions? Email correspondence to:

- [TownCreekDY@gmail.com](mailto:TownCreekDY@gmail.com)

#### Team News

- Coaches and team parents will contact all players regarding schedules for practices and games. Once rosters are finalized, **ALL UPDATES**, are available via your **Team Page** on the website. You will find the team roster, league documents, practice + game schedules, + any team/league news under various tabs on Team Page.
