

TCDY-DOC5

CONCESSION POLICY

Town Creek Dixie Youth is **NOT** offering a *concession opt-out option* as of August 2019 fall Ball. TCDY expects all parents/guardians to actively participate and support the league by volunteering **two (2) hours per registered player in the concession stand.**

(For example, you have 2 players registered, you are expected to provide concession coverage for four hours)

Concession Shifts & Schedule

Concession volunteers are scheduled to work for one (1) hour shifts either before or after your players scheduled game. A schedule will be completed by the concession manager and approved by the board for distribution to each Team Parent prior to the first game of the season.

Volunteers will be randomly selected for shifts based on stated availability during registration. It is **YOUR RESPONSIBILITY** to work as scheduled **OR** find a replacement to work on your behalf. All communications, questions, etc should be sent to the **Team Parent** of your players team. The schedule is **final** and **not** subject to change. If you cannot work a scheduled shift and do NOT find a replacement, your team manager, asst coaches, and/or team parent will be required to fill-in. These volunteers already do enough, so, please, let this be an option of last resort.

The **ONLY EXCEPTION** to this policy is in the case of an emergency.

If you **neglect to fulfill this responsibility to your child(ren) and the league, registration will be blocked and player eligibility revoked until fall 2021 and **PLAYERS WILL NOT BE ALLOWED TO PARTICIPATE IN ALL-STARS****

All parents/guardians will be provided with a list of team and TCDY board member phone numbers to call when a replacement is needed. **Please give at least a 24 hour advance notice.**
